Hinds County School District to Continue In-Person Learning

Raymond, Miss. — The District is aware that the Mississippi Department of Education voted today to allow school districts to use hybrid scheduling if needed. The Hinds County School District plans to continue to offer in-person learning. We do not feel that our current COVID impact necessitates a change in learning modality. Therefore, we will not offer a Hybrid Learning option at this time.

The Hinds County School District (HCSD) is proud of its successes this school year and prides ourselves on providing the assistance and support to every student, parent, and/or employee of the Hinds County School District. However, we are confident that the policies and procedures of the HCSD have been followed and we remain committed to providing a safe, welcoming, and respectful environment for all our students, faculty, and staff.

For more information about HCSD, visit www.hinds.k12.ms.us or call (601) 857-5222.
