Memorandum To: School Reading Fair Coordinators & Parents
From: James H. Mason, Director of Student Services
Subject: Regional Reading Fair – Delta State University

All First Place Division winners at the District Reading Fair are eligible to compete at the Regional Reading Fair at Delta State University on Friday, February 13, 2009.

Because of budget constraints and the fact that practically all parents over the past few years have chosen to drive their child to this competition, the district will only plan on providing transportation for those few students who have no other means of attending the competition.

Regional Fair Details. The Regional Fair will be held in the Forest Earl Wyatt Gymnasium on the campus of Delta State at the intersection of Washington and Quitman Streets (see the attached map #44). Registration begins at 8:30 a.m. and judging begins at 9:30 a.m. No late entries will be allowed once the judging begins. Judging should conclude between 11:00 a.m. – 12:00 noon. Projects must remain until all judging is completed and the winners are announced.

Please complete and return the attached form indicating your child's plans by Wednesday, January 28, 2009. You may either email it to jmason@hinds.k12.ms.us or send it via fax or snail mail at the fax number or address listed below.

Thank you for your continued support and understanding. If you have any questions, please feel free to call me at 601.857.7012.
