

## E-mail Settings for Android Phones

**Hinds County does not support personal cell phones.**

- Select "Settings"
- Select "Accounts and Sync"
- Select "Add Account"
- Select "Corporate"
- Enter the domain\username. The domain is hcsd.local (For example, if John Doe's username is jdoe he would enter hcsd.local\jdoe)
  
- Enter your e-mail password
- Enter morpheus.hinds.k12.ms.us for the Exchange server
- Select "Next"
- Select the features to synchronize. **If you synchronize the calendar and contacts, it may erase what's currently stored on the phone. Once the information is gone, it can't be restored.**
- Assign a name for your account. For example, "Exchange" vs. "MCSD E-mail" vs. "District E-mail" etc.
- Type your name for outgoing e-mail.

-
