

Byram Bands

Parents,

Greetings from the Byram Band Program. We hope that you and your family are doing well during this strange and difficult time. Normally, during this time of year the Byram Band Staff would have visited your child's school to share the benefits of joining our band program. Since we obviously cannot do that in person, we hope you take some time with your child to view this letter and some of the information we have provided for you.

ABOUT THE BAND

The Byram Band Programs consists of over 200 students (Grades 6-8), about 20% of the student population . It is the LARGEST activity in the school and consistently receives the highest awards at all band festivals and competitions. Our beginning band program is designed to take your child from the very basics of the instrument to being able to perform both individually and as a group. Our highly qualified staff will give your child the very best instruction possible so they can succeed on their instrument.
