Dear Parent,

There is a great possibility that inclement weather may affect our school day schedule. Depending on the severity of the weather we may operate on our Regular Schedule, our Late Start Schedule or possibly cancel school for the entire day. The decision will be reached in the early hours of the morning and will be released before 5:30 a.m. when it will be publicized through local news channels, social media and a district “call out” by telephone. If inclement weather forces an early release, then that information will be distributed through the aforementioned sources.

Should we opt for a Late Start Schedule; buses will run as close as possible on the Late Start Bus Schedule (See tab). Please allow for a fifteen minute window plus or minus from the given time. For privacy reasons exact addresses are not published on this list. If a bus has several stops on one street it may affect the pick-up time. Car rider drop off times are listed for each school below.
