Parent Engagement

ActiveParent

This site allows you to keep track of your child's progress throughout the year. If you have any questions, please contact the school.

You may create an account on Myschoolbucks.com to pay for lunch for students who are reduced or have to pay full price.

Daily Reminders:

Arrival Times

Students are not allowed on campus until 7:10 a.m. Parents, please do not drop your child(ren) off on campus before this time. It becomes a safety issue when children are dropped off in the early morning hours without any supervision – anything could happen!

Tardiness

The tardy bell rings daily at 7:45 a.m. Your child needs to be in his/her class by 7:40. If your child arrives to school after 7:45, please escort him/her into the office to sign them in. Do not send your child into the school by themselves after 7:45.

Attendance

We need your child at school everyday...all day! If they're not here, they can't learn. Please make sure your child is present everyday, and please try to schedule any doctor's appointments after 2:30 p.m. If your child is absent, an Excused Absence Form or note must be completed the day your child returns to school.

Early Dismissals

There will be no early dismissals after 2:00 p.m. For the safety of students and staff, the walkway must be clear and no parents will be allowed in the building until dismissal has concluded. Parents must remain in their cars when picking up his/her child. We are asking car riders to please keep the car rider line clear until after 2:00 p.m. due to parents still being allowed to dismiss early.

Bus Riders

Please make sure that your child follows the bus expectations each day. The Code of Conduct will be followed if students receive any bus referrals. Please be mindful that students can be permanently expelled from the bus.

Family Wellness Watch

Times have changed and these days kids spend more time looking at a screen than being active.

How can you increase physical activity in the house? Here are a few suggestions:

Bubble Wrap Stomp-See how fast you can pop all the bubbles using only your feet.

Twister Mat Challenge-Starting with each hand or foot on separate circles do cart wheels or crab walks.

Hula Hoop Hop-Lay the hoop on the floor and jump in and out 10 times.

Transportation Change

In order to ensure safety for all student If you are changing your child's mode of transportation, please write a note to your child's teacher. We will no longer accept those changes over the phone.

If you have any suggestions or concerns, please contact your child's teacher.

All students must have a clear or mesh book bag that we can see through.
